An unmarried member may designate a "significant other" once annually. Membership fees include guided hunts, all shooting sports, access to family amenities and social events

### Membership Committee

The Membership Committee includes Stephen Myers, Stephen Myers, Jr., Tucker Frederickson, John Reynolds, and Tim Williams.

### Developers

Pine Creek Sporting Club LLC, whose principal owners are Stephen E. Myers and Stephen Myers Jr., are the sole developer of Pine Creek Sporting Club. Myers Sr., a pioneer in the cable television industry, is an avid hunter and fly fisherman. He is the owner of the world famous Silver Hilton Steelhead Lodge located in Northern British Columbia. He is a substantial landowner in Florida and wanted to create an exclusive sporting club for the privileged and discerning outdoorsmen that share the same passion for the outdoors.

## Shooting/Hunting Amenities

**Sporting Clay Course:** The Club shooting professional, David Hughes, has designed a world-class sporting clay course with over forty throwers. There are a wide variety of shots, including a quail walk-up to simulate a quail flush and an English high tower simulation.

**Rifle & Pistol Range:** Covered range includes a number of challenging reactive-steel targets, with rifle range distances of 200 yards.

**5-Stand:** Covered, state-of-the-art facility designed by Mick Howells with varied combinations from eight Promatic machines, equipped with a shot patterning board.

**Trap:** Trap field adjacent to the 5-stand, overlooking the lake, with added driven grouse simulation Promatic thrower.

**Bird Aviary:** 1,020 sq. ft. with two additional 100-yard open-air flyways.

**Dog Kennel:** 3,000 sq. ft. facility with thirty-six pens.

**Member's Lodge:** The lodge is approximately 7,000 sq. ft. under-air facility with a wrap-around porch, indoor and outdoor dining, Nicklaus Signature putting green, bar, gun locker room, pro-shop, library/quiet room, three grand fireplaces, card tables and billiards. There are four well-appointed guest suites for members and their overnight guests on the second floor.

**Fitness Center and Pool:** The pool, fitness center and nature center are centrally located next to the members lodge. Designed by Marc-Michaels Interior Design, the setting and facility are incomparable to any other. An outdoor kitchen/barbeque pavilion, outdoor dining and fire pit make a perfect setting for parties.

**Treehouse:** Designed and built by local artist, George Ivey, using Seminole Indian techniques, the treehouse includes a full wet bar and dining upstairs, thirty feet above the ground in the Live Oak hammocks. The treehouse is perfect private dining receptions.

**Children's Activities:** There are a variety of fun and adventurous activities for children, including kayaking, fishing, bike riding, horseback riding, swimming, zipline, rope swing, multi-purpose field (soccer, lacrosse, football, baseball, kickball, frisbee), garden and picking grove, chicken coop, table tennis, horseshoes, bocce, buggy rides, tire-swings, playground, pro-beach volleyball, as well as shooting instructions and demonstrations.

**Horse Stables:** Approximately 7,000 square feet with ten stalls, green paddocks and diverse trail riding paths.

**Fishing:** Lake Okeechobee (15 miles south) is the largest fresh water lake in Florida, which offers the best Large Mouth Bass, Crappie (Speckled Perch) fishing from November to March, and Bream and Catfish fishing from March to July. Fishing trips can be arranged through the concierge service. Deep Sea fishing and boat charters can be arranged through concierge as well.

**Membership Reciprocity:** As an exclusive courtesy to Pine Creek members, we provide special guest privileges at the Silver Hilton Steelhead Lodge, located in Northern BC's finest steelhead fishery.
