#### Safari Club International at Pine Creek

Safari Club International's (SCI) Palm Beach chapter held a sporting clay shoot at Pine Creek Sporting Club hosted by Steve Myers, Steve Myers, Jr. and several members on December 13th. There were forty shooters, sixty guests total, who supported the event. Everyone enjoyed the shooting event and a barbeque lunch provided by Cheney Brothers, Inc. A small auction to fund Safari Club and the

Safari Club Foundation included exhibitors: DuPont/Kregoff and Zula Nyala. "The day was a tremendous success, and the support from members at Pine Creek Sporting Club and SCI is greatly appreciated," said Jo Hanley. Jo Hanley, whom many Pine Creek members know as a shooting instructor, is president of the SCI Palm Beach chapter.

Safari Club and the Safari Club Foundations' mission is to protect the freedom to hunt; they are leaders in wildlife conservation and outdoor education. SCI is a global conservation based organization with fifty thousand members. [Visit safariclub.org](#) or [Click here for the SCI invitation.](#)
