

November 2008 Newsletter

I would like to thank everyone who came out for the Tower Shoot and Family Field Day on November 8th. Thank you to our generous sponsors and guests who helped raise \$35,000 for the Palm Beach Zoo. We were pleased with the turnout and the interest generated from the event.

It was a great opportunity to showcase our club and allow our guests to experience all that [Pine Creek Sporting Club](#) has to offer. For the discerning sportsmen and active outdoors family, there is no other facility like this in Florida.

Pine Creek Sporting Club's Season Kickoff – Family Field Day & Tower Shoot

[top](#)

Pine Creek Sporting Club kicked off the hunting season last Saturday, November 8th, with a tower shoot and field day event for avid sportsmen and their families. Over three hundred attendees drove out or made their grand entrance by helicopter to the members-only club under construction, to experience a 'taste' of Pine Creek Sporting Club's amenities and its new take on "Old Florida" living.

The event kicked off at nine in the morning with an English High Tower shoot which was limited to twenty four pre-registered shooters. **Golf legends Jack Nicklaus and Nick Price, former NFL star Tucker Frederickson and Italian gun maker Tullio Fabbri were all in attendance.**

Throughout the day, guests mingled between a myriad of activities including five stand rifle shooting, sporting clays, archery, kayaking, horseback riding, bocce, mechanical bull 'rides', property tours, and a rugged off-road test drive in a Land Rovers. Young children participated in Pine Creek's day camp where they painted birdhouses, enjoyed pony rides, and visited with animals provided by the Palm Beach Zoo.

The Palm Beach Zoo benefited from a silent and live auction raising 35K. Thank you members and guests who made this possible. [Click here to view photos from this great day!](#) ([Pg.1](#) | [Pg. 2](#))
