

Dear Friends of Pine Creek,

Wishing everyone a happy and healthy holiday season.

Our lodge is now open and guest suites are available for overnight stays. It is a very exciting time at Pine Creek right now; six cabins are nearing completion to be occupied by new members, in addition to three ranch homes. If you haven't been out to the property we encourage you to visit this new year, as we are sure you will be blown away with what we have to offer.

We look forward to seeing you in 2010.

Regards,

Stephen Myers, Sr.
Developer / Principal

"Executive Chef Christian Watson Warms Up the Kitchen"

[top](#)

Ever since Chef Christian joined the Pine Creek team at the end of last season, the members have been extremely delighted with the delicious food: everything from classic comfort food, to innovative techniques for preparing game, and attention to detail using the finest organic ingredients.

Today Christian is taking his work to the next level, by planting a garden on property. Christian will now have access to the freshest and ripest fruits and vegetables right from his back yard. Although this old fashion remedy for good eats is simple, the delivery is anything but. The garden implements the most modern tools, using organic and efficiency as a number one priority.
