

**March 2009
Newsletter**

Dear Friends of Pine Creek,

We have had a wonderful winter and look forward to the spring with two final tower shoots on March 14th and April 18th. Construction projects, including the members' lodge, two ranch homes on Ranch 3 & 16 and horse stables are in the finishing stages as planned. The Members Lodge will be complete next fall season.

I am pleased to announce the newest development at Pine Creek: *The Cabins at Pine Creek*. Please see the pictures below, and read more about the Cabins in the following article: *New Membership Opportunity*.

Also, I am proud to announce *Palm Beach Sporting Traditions*, this local sporting goods store is coming soon after *Dewing's Fly and Gun Shop* closed its doors at the end of 2008. PB Sporting Traditions is owned in part by Stephen Myers (Pine Creek Sporting Club's (PBSC) developer), Pat Welsh, and Tucker Johnson. The new store will have a strategic alliance with PCSC, affording its customers certain privileges. PB Sporting Traditions will be opening its doors this season, please be in touch with Mike Burnett for updates and details (561-685-3001).

I continue to invite those interested in PCSC to come out to visit and explore the club. Improvements are completed as promised and this is adding new value to members' ranches and cabins. I thank those who have joined the club and joined me in my efforts to make Pine Creek great. Together we are building the membership base with amazing sportsmen and women to make Pine Creek a legacy for our families. I could not be happier with the group that is finding a common place to enjoy the outdoors a PCSC.

Regards,

Stephen Myers, Sr.

News at Pine Creek – New Membership Opportunity

top ↕

The Cabins at Pine Creek are 1,400 – 2,000 sq. ft. cabins, situated around a grand five-acre lake. *The Cabins at Pine Creek* will supplement the 40-acre ranch sites, by affording prospective members a different price point to join the club. Cabin owners' memberships include all amenities and services offered to ranch owners including access to hundreds of acres of hunting grounds for wing shooting. Pine Creek's staff will provision, service and maintain each Cabin. All memberships are designed to make ranch living hassle free.

There are three different models ranging from two to three bedrooms. Each cabin will have approximately 1,000 sq. ft. of covered porch and has been designed carefully to interact and harmonize with the environment.

"We are very pleased with the cabins," said Myers. "Our goal with Pine Creek Sporting Club is to offer the avid sportsman and their families the highest quality experiences, and there is no question that these custom cabins offer a great community feel and connection that one needs for a lifetime of quality years with their loved ones."

"Meet the Staff"... Carrie Pope, Pine Creek Concierge

top ↕

Carrie Pope, Pine Creek's concierge, joins us from the Flying G Ranch, a private ranch in Okeechobee owned by Steve Myers and Tucker Frederickson. Carrie has grown up in South Florida and has experience providing service and hospitality to the members at Pine Creek. The concierge services include booking reservations for hunts, provisioning cabins and ranch homes, and coordinating requests for members and guests. Carrie will also lead the equestrian program at Pine Creek.

A personal note from Carrie...

I have been a resident of Okeechobee off and on all my life, and I have been back here for the last 5 years. I love this little town where everyone knows each other.

My knowledge and love of horses comes from both my parents and my grandparents. My Grandparents had a little farm in Fort Drum with all kinds of animals and horses, where I would spend every summer. My Mom is quite the horsewoman and my Dad's been a "Cowboy" on a Ranch here in Okeechobee his entire life.

My passion for the outdoors comes mainly from my Dad. He is an avid outdoorsman and has instilled the same in me. Horses and hunting were a HUGE part of and a way of life for us. Not only was it recreational, but it was how we all made a living. I rode mainly Western saddles, and did ranch work and trail riding up until about 2 1/2 years ago. That's when I began riding English and enjoy that style of horse back riding as well.

I went to Seminole High school and for a short time attended Seminole Comm. College. In my early 20's, I spent quite a few years in the hospitality industry.

I am excited about our whole operation we have out here. It's pretty incredible and I am all too happy to be a part of it. I hope to build great relationships with the members of our Club and hope that they love it out here as much as I do.

Carrie
